AUGUSTA ART GUILD MUSIC SCHOLARSHIP
Honoring Bracken County Laureate Charles Robert (Bobby) Moloney, 1941-1994

The son of Rob and Emma Moloney, Bobby Moloney was born into a family rich in musical tradition but was well into his teens before following that path. Starting with a mandolin and later the guitar, Bobby Moloney discovered his passion for music.

Unable to read music, Bobby's keen ear served him well as he listened to the radio, learning songs and practicing techniques. He spent hours studying the great artist, Chet Atkins and Merle Travis, and in a relentless pursuit for perfection, was soon playing like them. Always in search of new challenges, he went from Country to Popular, to Blues and onto progressive Jazz.

But it was Bobby's selfless, open sharing of his knowledge and talent that truly set him apart. Never seeking or accepting monetary gain, Bobby's home became a weekend open house that players and listeners could come and learn. There they played, learned new techniques and, under Bobby's tutorage, honed their craft. Bobby gave back; he was a true mentor for many in Bracken County.

Thus it is in the honor of Charles Robert (Bobby) Moloney that this scholarship is awarded.
